

The Washington County Manufacturers Association's

Holiday Drive

In conjunction with our annual Holiday Dinner to be held on Thursday, December 5th at the Washington Brewery, we have organized a drive to collect and donate an array of toys to the Washington-Greene County Toys for Tots!

*The increased needs of children in our community have fostered our desire to support this program. The goal of our efforts is to place a smile on a child's face this Holiday season through the simple act of giving! Last year this chapter of Toys for Tots, gave over **45,000 toys to 4,800 children**. Over the last decade plus they have given almost **250,000 toys to over 34,000 children!***

Any brand new toys still in their original box and/or monetary donations are greatly appreciated. If you are giving a money donation, please make check payable to "Toys for Tots". No cash please.

We strongly encourage toys made in America!
